

## **Open Access Policy**

Academy of Indian Health Professionals publishes open access peer reviewed journals. All the manuscripts published by AOIHP Journals', after peer review, are freely available to readers. These accepted manuscripts are available for public viewing without any restriction or registration.

The copyright of publishing remains with authors and they are free to redistribute manuscript without any restriction. The readers can access these manuscript and frame their research or academic work.

An individual (e.g. author, reader, reviewer, editor, any other person) can read, download, copy, distribute, print, search, or link to the full texts of these articles or use them for any other lawful purpose.

Academy of Indian Health Professionals strongly recommend and support Open access to every resources of knowledge. We also follow the open access policy of Open Access Scholarly Publishers Association (OASPA), DOAJ and Budapest Open Access Initiative.
