

## **Privacy Statement**

The names and email addresses entered in this website will be used exclusively for the stated purposes of this journal and will not be made available for any other purpose or to any other party.

This privacy policy sets forth our practices regarding collection, use and disclosure of information collected through the Journal website.

In order to offer the best possible service to users, the website may automatically collect certain information from your web browser regarding your use of the site. The information will be recorded in web server log files. We may use the information to help us understand more about how our web site is used, to recognize patterns of usage of the site, to improve our site. While we may track site usage, we in no way relate this usage to any users in particular.

We may use cookies to collect information to help us learn your preferences, but we don't use cookies to collect and store individually-identifiable information. You can modify your browser's privacy preferences, if you wish to prevent your browser from accepting certain cookies or wish the browser to require your consent before a new cookie is placed in your browser.

Registration on Journal website is mandatory for submission of manuscript, review of submitted manuscript by Reviewer. However, registration is not at all required for viewing its content or simply reading the published article. During registration we collect some personal information such as your name, email address, affiliation, research interests, among others. This information enables us to develop and customize products to better meet your needs and preferences. We may contact registered users from time to time to draw your attention to information that may be of interest to you. You may opt out from receiving such email when at any time by contacting our customer service.

Collection of users information for commercial use is strictly not permitted. We will not sell or share any personal information to any third parties without the explicit consent of the user. We endeavour to keep your personal information confidential and protected against unauthorized access through the use of appropriate safeguards

This web site may contain links to other websites that are not with our control. If you link to their sites, they may contain privacy policies that are different from this privacy policy. Such sites are not covered by this privacy policy. We reserves the right to disclose any information if we are required to do so by law or to comply with legal process, if we believe it is necessary to take action regarding illegal activities or to protect our rights, or if Academy of Indian Health Professionals is acquired by, transferred to or merged with another company. We reserve the right to change this policy at any time without notice. Any changes to this policy will be posted on this web page.
